Terms of Scholarship Agreement

Acceptance Terms

Returning Students can receive an award of \$1,000 for students attending 4-year colleges or \$750 for students attending 2-year technical colleges.

**Annemarie and Richard J. Reynolds, Jr. Scholarship Agreement
Returning Scholars - MCA Classes of 2017-2019**

Scholarship Recipients Must:

- Be enrolled in an accredited college, university or technical college for the entire academic year.
- Maintain enrollment in a minimum of 9 credit hours each semester (fall and spring).

Your institution's financial aid office will review your eligibility based on your enrollment. If you do not meet this term, your scholarship will be refunded immediately to The Sapelo Foundation. *If you withdraw from your institution at any time during the academic year, you must notify The Sapelo Foundation at info@sapelofoundation.org.*

Scholarship Disbursement

By law, The Sapelo Foundation cannot mail or disburse scholarships to students personally. During the **first week in July**, your scholarship will be mailed directly to the institution reported in this agreement form. Your scholarship will be directed to the fall semester only (no exceptions).

We will notify all scholarship recipients by email when the scholarship awards have been mailed. As of the mailing of the scholarship check, it is the responsibility of your institution to process your scholarship award. Please be patient during this time period as your institution will be processing hundreds of scholarships, grants and loans and applying them to the corresponding student accounts. The Sapelo Foundation can **only confirm by email** (info@sapelofoundation.org) whether a scholarship award was deposited.

Scholarship funds are applied to tuition, fees, books, housing, and meal plan expenses that are applied to your student account. Your institution will disburse your scholarship based on your school's payment schedule. In some cases, if a college applies this scholarship to a student's account balance and there are still additional funds remaining from the scholarship award, the remaining funds from this scholarship will be remitted back to The Sapelo Foundation, not to the student (e.g., after applying this scholarship to the balance of your student account, and there is still \$100 of your scholarship award left over, the remaining \$100 will be returned to The Sapelo Foundation). **If you have questions about how your scholarship award will be applied to your student account with your other scholarships, grants, and loans, please speak with your financial aid officer and/or bursar's office.**

If you transfer to a different school after July 1st or in the middle of the academic year, your scholarship award will not transfer to your new school and another scholarship award will not be reissued for this academic year. The Sapelo Foundation will not be able to support you financially for the remainder of the academic year.
